

S1 Home Economics April – May 2018 Information For Parents

Practical Cookery:

In this unit we are continuing to develop **basic practical skills** and we are also trying to encourage pupils to work in a safe and hygienic manner. Pupils will complete a Pizza Challenge Task.

Payment is now done online through **Parent Pay** the **final payment of £4.00 (reduced due to snow closure last term)** is now due (this was not included in the previous payments, as this term is in a different school financial year).

Can this payment and outstanding cookery money please be paid by 14th May 2018
NB – Overdue cookery money from last term/s-

We expect all pupils to come prepared for the practical lesson with their own casserole dish or container, and we would appreciate your support with this. These containers can be left in the HE room before registration and collected from the fridge at the end of the day.

| Week Beginning | Dish being made | Containers to bring |
|-------------------------------------|--|--|

| S1 EXODUS | | |

For hygiene reasons, pupils should tie long hair back (*girls must bring their own hair bobble*) and nail varnish should be removed. A high standard of behaviour will be expected at all times, and if pupils fail to behave in an acceptable manner, they will be disciplined and may not be allowed to cook and will be expected to quietly complete written work.
