

**Values  
In Action**

**WHOLE SCHOOL STUDENT VOICE**

- What does it mean to be a Student at Selkirk High School?
- What does it mean to be a teacher at Selkirk High School?

<b>STUDENT RESPECT IN ACTION</b>	<b>STAFF RESPECT IN ACTION</b>
<p><b>in the classroom?</b></p> <p>Support others' learning by being positive in class Do not judge others and respect others for their differences Respect everyone's right to have an education Respect everyone's right to have an opinion Wear the school uniform so everyone feels equal Do not laugh at people if they get it wrong</p>	<p><b>in the classroom?</b></p> <p>Listen to students Include everyone Understand every student's needs ; try to understand students with different backgrounds Be ready when we arrive and smart Listen to both sides of the story Have faith in students and high expectations. Try not to shout</p>
<p><b>in the wider school and at social times?</b></p> <p>Respect yourself and be true to yourself Respect individuality and treat everyone equally- let everyone be who they are without fear of abuse Include everyone Respect community/Referees/other teams Respect others' property and school resources Do not litter/or throw food Wear the uniform so everyone is equal Don't use social media to be unkind Respect visitors by opening doors and offering help</p>	<p><b>in the wider school and at social times?</b></p> <p>Manners/be polite and say hello and care about us even if we're not in your class Respect students' different abilities and give people a second chance. Challenging disrespectful behaviour between students Encourage all students to get involved in activities Respect people waiting in the lunch queue Help even if it is out of class time.</p>

<b>STUDENT RESPONSIBILITY IN ACTION</b>	<b>STAFF RESPONSIBILITY IN ACTION</b>
<p><b>in the classroom?</b></p> <p>Turn up on time and bring right equipment, jotters and kit. Meet deadlines and do Homework on time Wear school uniform to show everyone is equal Be a good influence on younger students Work to the best of your ability Not to disrupt others Contribute to team work/include all Try new experiences</p>	<p><b>in the classroom?</b></p> <p>Listen to pupils and try to understand all students Recognise students for working hard and trying Include all students and treat all pupils equally Try to get better at teaching all the time Do not be late and be smart Plan Lessons and be organised To prepare us for life not just the subject Be on time for lessons and smart Mark homework and other work as quickly as possible Don't allow negative behaviour to affect others</p>
<p><b>in the wider school and at social times?</b></p> <p>Put others before yourself Be sensible in corridors and down the street Make sure everyone is involved in sport and extra-curricular Never use technology to be unkind Put rubbish in the bin</p>	<p><b>in the wider school and at social times?</b></p> <p>Be fair and patient Say Hi and have fun with students Be a positive role model Look out for bullying Show interest in students even if you don't teach them Get involved in school life</p>

# Values In Action

## WHOLE SCHOOL STUDENT VOICE

-What does it mean to be a Student at Selkirk High School?

-What does it mean to be a teacher at Selkirk High School?

STUDENT RESILIENCE IN ACTION	STAFF RESILIENCE IN ACTION
<p><b>in the classroom?</b></p> <p>Growth Mindset! Trying you best and work your hardest Break work down so you can do it Trying all questions Don't get distracted by other people If you make mistakes in class you learn from them and find out how to get it right next time. Before you ask for help try it again and then ask teacher. Do not let others put you down</p>	<p><b>in the classroom?</b></p> <p>Growth Mindset! Be positive and patient and encouraging Give students a second chance and treat every day as a new one with all students Always go the extra mile for us Don't let students wind you up Do not let personal life affect school life Try to get better at teaching all the time Mark homework as soon as possible</p>
<p><b>in the wider school and at social times?</b></p> <p>Stand up to negative peer pressure Always stand up to bullying and help others Don't let other's negative behaviour affect you Don't give up if another team scores Carry on through difficult situations Try new activities and different experiences</p>	<p><b>in the wider school and at social times?</b></p> <p>Be around at social times Always be ready to help Don't let other's negative behaviour affect you Try new activities</p>

STUDENT RELATIONSHIPS IN ACTION	STAFF RELATIONSHIPS IN ACTION
<p><b>in the classroom?</b></p> <p>Be true to yourself and support others to be who they want to be Stand up for everyone Listen to each other/teacher Be fair to everyone and property</p>	<p><b>in the classroom?</b></p> <p>Listen to students' views Celebrate effort Try to understand every students' needs Try to understand every student not just how they are in your class Include everyone in class activities Be on time for lessons and smart</p>
<p><b>in the wider school and at social times?</b></p> <p>Respecting the public and take responsibility for litter Good relationships with team mates and opposing teams Include everyone and respect difference</p>	<p><b>in the wider school and at social times?</b></p> <p>Say hello and chat to students even if you don't know them Help with clubs, revision sessions and extra-curricular activities Look out for bullying at all times</p>

*The Values In Action Charter above was produced by the whole school, led by the Student Head Team and Prefects in assemblies and PSE classes and supported by the Pupil Council.*
