Dear Parent/Guardian,

Selkirk High School Extra Curricular Hockey Kit

Selkirk High School have a very successful extra-curricular hockey club. This is open to any girls from S1 up to S6. Currently boys can play in school matches in S1 and S2, this is in line with Scottish Hockey guidelines. The teams train once through the week after school and play competitive matches on Friday afternoons or Saturday mornings. If your daughter/son would like to play extra-curricular school hockey for the Selkirk High School team they will be required to buy the school hockey playing kit.

All kit orders need to be made online at www.border-embroideries.co.uk. There is a link for this on the school website. You then need to go to Schools Ordering Online then click on Selkirk High School Hockey. Here, you will see the kit and be able to order the size you would like. The playing top, skort and socks are compulsory and the hoodie is optional. Please note the sizes of the hoodies are slightly smaller made, e.g if you are usually a size 8, we would suggest ordering a size 10. The kit is high quality Canterbury fabric which will last a number of years if looked after well.

This year we have spent time trying to find a sponsor to help with the cost of buying the kit for Parents/carers and we are very fortunate to have Bowhill Estates keen to sponsor the playing kit. This will significantly reduce the cost of the playing top and skort and making this cheaper than in previous years.

The kit takes between 2 and 4 weeks to arrive from ordering as this is a busy time of year for the kit supplier and we would hope to have all new players representing the school in School kit by the middle of September. All kit ordered will be delivered to address on your delivery order.

If you have any questions, please do not hesitate to get in touch with me at Selkirk High School.

Yours sincerely,

Alan Aiken
