THE latest from behind the scenes at Selkirk High School...

Photography students took some excellent images

Students have returned to the workshop

Technology

S3 pupils are making excellent progress designing and making tea light holders in technology classes. And it is great to be back in the workshop!

Photography

Last week photography students learned about the art of capturing images of nature and the outdoors. Photos were taken by Ben McKinney, Kyle Dahill, Scarlett Nicol, Lara Fairbairn, Caitlin Stuart, Emma Jamieson, Asia McKenzie, Logan Riddell, Cerys Murray, and Logan Fairbairn.

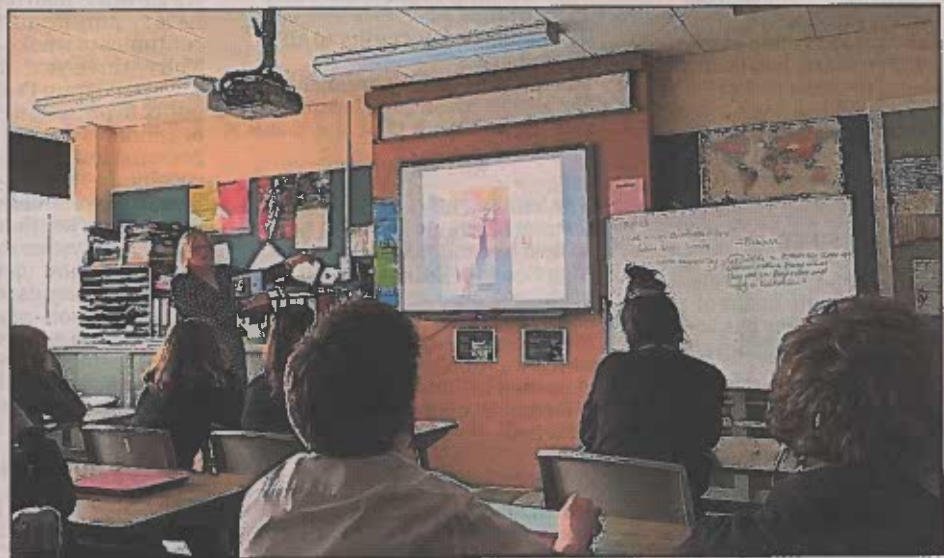

DofE Awards

The school would like to say well done to all students who participated in Duke of Edinburgh during 2019/20. This is a great achievement made possible by the hard work and dedication of Jim McPherson and

Miss Howie.

RMPS

S1 pupils have been looking into what makes themselves, Buddhists, Christians and Humanists happy. Pupils have made happiness jars and found out about how Buddhist flags have special mantras on them that carry words in the wind. Pupils have made their own 'happy flags' using poetry. Lama Yeshe from Eskdalemuir Temple sent a message to the S1 group: "Don't be frightened, come to school and learn not just knowledge and memory work, but real wisdom." He suggested mindfulness or meditation to calm down in these special times. The school would like to thank Lama Yeshe - we'd like to visit Samye Ling temple when we can. Thanks to Poppy for being the class photographer and well done to Jack Luckas who won the most popular poem.
