

# SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

THE latest from behind the scenes at Selkirk High School...

### P7 transition

The P7s were invited to join their second live lesson from the High School on Monday. This time it was 'A Taste of Spanish' delivered by Miss Mitchell.

This interactive lesson focused on listening and talking and introduced the pupils to sporting vocabulary as well as highlighting International Women's Day. There was a lot to pack in! Again, nearly every P7 pupil was able to join including a new pupil who will be moving to Selkirk soon who was delighted to start to get to know some of her future classmates.

The responses to the quiz questions came in thick and fast. There will clearly be some excellent linguists joining us at the High School in August. Nest week - maths!

### Photographs

The school would like to say well done to Ben McKinney on the outstanding photographs that he has been taking on his walks as proof for the YAA (Youth Achievement Award). Ben had to keep a record of walks in the hills around his home.

### Art & design

This week, S3 art & design students have been learning about photography and composition using the rule of thirds. Here we are able to show you some examples.

### Pink Kangaroo

The maths department want to send our huge congratulations to Eden Collins from S4 for doing so fantastically in the recent UKMT Intermediate Maths Challenge. In fact he has done so well he qualifies for the next highest level of challenge - the Pink Kangaroo (no idea why it's called that!). This is not an easy feat. Well done Eden.

### National competition

S2 and S3 pupils have been designing solutions to a design brief for a national competition for the chance to win £400 in art supplies. The competition was run by Siemens and National Rail. Pupils had to come up with a name, a logo and a tagline for a new signalling company. I think you will agree we have some very talented pupils. Fingers crossed we will a winning entry! Well done everyone.
