

Accessibility support

The following web pages have useful help for accessibility:

- <https://www.lifewire.com/ipad-accessibility-guide-1994516>
- <https://wke.lt/w/s/7RWMsc>

The iPads have many features to help learners. Go to Settings (the cog) then **Accessibility** settings. This brings up many possibilities. Most learners will already have chosen settings which suit them.

Microsoft Apps have a in built tool called **Immersive Reader** to improve readability. It has many settings which learners can choose to enhance their experience. It will read text aloud and also spread text out for easier reading. The full versions of Microsoft apps have a better version of immersive reader

It can be found in the 'View' tab.

Challenge Work

Your task is to produce a summary of Mrs Gren to demonstrate your understanding.

You can use a variety of ways to show this.

- Sway
- Clips
- Imovie
- Poster
- Powerpoint
- Flip grid

+ Page

Office Lens is an app on the iPads which you can use to convert images to PDF, Word and PowerPoint files, and you can even save images to OneNote or OneDrive. It can be used with Immersive Reader to help learners read printed documents such as text books.
