The role of the Heads of House

Heads of House are Prefects with additional responsibility of working with staff and the Prefect Team to create an inclusive programme of House Events- The Munro Cup

Demonstrate and promote the values of SHS in all you do
Lead school events and represent the school
Support our younger students

The role of the Prefect at SHS

Demonstrate and promote the values of SHS values in all you do
Contribute to /Lead school events and represent the school
Support our younger students
Work together and Heads of House to create a lunchtime programme of House Events
Support school improvement by representing students

All students who put their name forward for the role of Prefect by completing the short application form will be considered for all S6 Leadership Positions. This should be based on Leadership Award Unit 1- research and self-awareness. A staff and student commendation will also form part of the process.

Please place a single tick against the 12 students you believe would make the most effective Senior Leaders.

Put a second tick against the 2 students you believe would make the most effective Head Team.

Selection should be purely on merit. As with other protected characteristics, gender has no significance in the selection process.

4 Students with strong applications and the endorsement of staff and peers will be invited to the selection process for Head Team and Depute positions.

This includes an interview with S3 students- see pic below:

Thanks to Aidan, Meghan and Amelia – the S3 Pupil Panel- who interviewed the candidates and put their Golden Skills into action so impressively!

The remaining candidates will be appointed to Heads of House and to the position of Prefect as appropriate.

There will be a second opportunity after the October Holidays for students to apply for the role of prefect.
