

## Update 06.12.21

### Study Leave For Senior Phase Students

Dear Parents and Carers,

It's important to provide our students with a realistic experience- as far as we can – to prepare them for the examination period in May 2022. Study Leave is a key part of this- and it has just been confirmed that schools can make a local judgement on providing Study Leave for prelims.

Students therefore have the following options for the week of 13<sup>th</sup> to 17<sup>th</sup> December at SHS:

- Students may Study at home or at School for the week of 13<sup>th</sup>-17<sup>th</sup> December.
- Teachers will be available throughout the week to support students; students can email their teachers to organise a time for support.
- Students choosing to study at school are asked to
  - wear school uniform
  - sign in at the office on arrival and sign out when leaving.
  - remain in dedicated study areas- unless they have an appointment with a teacher.
- Students coming to school for an exam are asked to wear school uniform and sign in and out.

Please note: there will be no study leave in the week of 20<sup>th</sup> December. Students will follow their usual timetable. They will be able to study for their remaining exams in their classes although in some cases teachers may be providing prelim prep or prelim feedback.
