Dear Parents/Carers

Every student at Selkirk High School is on an Achievement Journey, focused on three areas of endeavour: Qualifications, Skills and Values.

Over the course of the year, students develop their Achievement Journey document. This is on the pages app on the ipads and can include video and audio. It's like a visual CV.

We are really keen to also hear about achievements outside of school so that these too can be celebrated with praise postcards and recorded on the students' Achievement Journey doc.

This could be a wider achievement such as success at an out of school activity, a time when they have done something for friends, family or the wider community, or when they have put their values into action.

Please let us know if your child has done something this week that should be shared and celebrated by clicking on this link and completing the Form - [Achievement Journey - Praise Postcards](#).

Your child's Pastoral Teacher will send a Praise Postcard home and students can record their success in their Achievement Journey doc. In addition, students' achievements can also be shared on our social media channels and in the weekly school news published in the Border Telegraph.

Thank you!

Mrs L Thomson
