

SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

THE latest from behind the scenes at Selkirk High School...

Pupils, parents and staff enjoyed the recent open evening at Selkirk High School

Open evening

Last week the school was very proud to welcome secondary and primary families in for an open evening. There was a real buzz from start to finish as staff, all of whom were present, and students welcomed our parents, many for the first time. There were music and drama performances of astounding quality and many visitors enjoyed tours of the school and a first taste of digital coding. Some had their portrait taken by one of our talented artists. A wide range of displays showcased our amazing progress as an Apple Distinguished School, with every faculty and a range of partners demonstrating innovative learning, our new curriculum and our plans and progress as a school. The school would like to say thank you to the seniors and junior faculty ambassadors for their inspiring contributions. For many the highlight was the strawberry tarts prepared by senior students and the wonderful offer of refreshments from the Parent Partnership.
