

# SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

THE latest from behind the scenes at Selkirk High School...

### Maths news

Our pupils continue to go from strength to strength in the maths faculty. We have had great success with our results over the last few years and continue to strive to do the best for our pupils. Recently our S1 pupils have been working hard in class, showing competitive spirit and trying to improve. Our S2 students have been working on volume of cuboids and triangular prisms. Mrs McHenry's class had a good look at measuring volumes and how it can be quite difficult to read scales - these need practice as it has so many practical uses.
