

# SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

THE latest from behind the scenes at Selkirk High School...

The senior hockey squad

Jack Lukacs. Below: Sarah Murray

### Archery Championship

The school would like to say a huge congratulations to Jack Lukacs. He competed at the Scottish Indoor Archery Championship at Inverclyde National Centre and was placed first for the Under 16 male recurve group. A fantastic achievement.

### Senior hockey

The school would like to say well done to the senior hockey team who had a fantastic day out at the Berwickshire High School Hockey 7s Tournament. The team played some tremendous hockey, with some strong performances throughout the day. Well done to all girls, and a special mention to S6 pupil Ailish Fairbairn who played her final game for Selkirk High School, after six brilliant and successful years of school hockey. Thanks very much to Georgia Main for coaching and Miss Murray for umpiring.

### Soccer academy

An exciting new programme is being delivered in Selkirk High School with Gold & Gray Soccer Academy. Pupils will work in small groups with a qualified football coach. The pupils are asked to design and deliver a practical training session to their peers. Throughout the programme they will be supported by coaches to create a session which includes a warm-up, drill and small game which will be put towards an award. By the end of the programme, learners will be able to confidently and independently deliver their own practical session to a small group of their peers. This will help to build on key transferable skills such as; leadership, team work, communication and time keeping, these skills can then be used within their school setting.

### S1 hockey

The school would like to say well done to our S1s who recently played in the S1 A and B hockey

tournament at Jedburgh Grammar School. Both teams played some outstanding hockey with super determination and team work being shown in all their games. A great way to finish their first season of SHS hockey. Lots of smiles all round.

### Rugby

Well done to current S4 student Sarah Murray who has been selected in the Scotland Rugby U16 Squad. We all look forward to tracking your progress and are very proud of you.

### Song writing

Two groups of lucky pupils have the opportunity of working with Erin Highton and the Harris Trust in workshops exploring the process of song writing. These workshops help the pupils explore their feelings and reactions in a different way. I'm sure you will agree there has been some wonderful creativity and fantastic ideas.

A new football programme is being delivered at the school
