The Borders Enterprising Maths Competition 2023

All the high schools in the Borders sent two S3 and two S4 pupils to Tweedbank Inspire building to enter the competition. Mrs McHenry, of Selkirk HS, organised the event with the top two schools going on to Glasgow in November to compete in the Scottish finals. Our pupils did an excellent job - S3 represented by Alvin Laing and Ava Proudfoot and S4 by Evie Stewart and Gabby Job. The whole event ran very smoothly, due in no small part to the excellent S6 helpers - Gina MacKenzie, Harry McMenamin, Maartje de Zoeten and George Brownlie. Congratulations to Earliston HS and Peebles HS who go through to Glasgow in a few weeks.

Speedway Success!

Congratulations to Alexander Rudge S1 along with his younger brother Angus and the Scottish Borders Raiders cycle speedway team! Over the past eight months this team of five have gone from complete beginners to winning more points than any other Scottish junior team with their tactical, fast paced, no fear & no brakes bike racing! On Sunday they won the 2023 Junior winner's trophy at yesterday's final round of the Spar Scottish Cycle Speedway League. Trevor Bryant from Live Borders provided the coaching and the enthusiasm and encouragement of Cycle Speedway. The team are always welcoming of new riders (juniors, men's & women's). If you're interested, just contact the school and we'll put you in touch.
