THE latest from behind the scenes at Selkirk High School...

The new sewing group had its first lunchtime session recently

Sew much fun

Our new sewing group had its first lunchtime session last week. Everyone was very excited to be choosing fabrics for our first project - design and make a tote bag.

Well done SHS!

Congratulations to all those involved in rural and horticulture developments at SHS. This has been recognised in a number of awards, most recently the Silver Wild Challenge award for developing a rich environment for wildlife not only within rural and horticulture at the school but also in our wider community! Fantastic!

Hockey

Fantastic to see all our hockey teams back in action. Great effort, teamwork and determination on show.

Rugby

Well done to the U16s recently running out 39-0 winners against Moffat in the National Youth Plate despite some pretty poor weather.

S2 Interhouse hockey

This week saw the first round of our interhouse sporting activities take place. All of S2 competed for House points in three rounds of hockey. In round one Ettrick beat Tweed convincingly with three victories in the three games. In round two Yarrow won their three games against Tweed. This set up a final round of games to decide the overall winners. Both houses lost one, won one and drew one, with the decision going down to goal difference. Yarrow had scored one more goal than Ettrick so took the overall win for the S2 competition. Well done to all competitors as there were some fantastic skills, teamwork and resilience on show.

S1s enjoying their learning in PE
