

# SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

THE latest from behind the scenes at Selkirk High School...

Winners of the Young Musician competition

### Young Musician

The school would like to say congratulations to everyone who performed at our Young Musician Competition on Wednesday night. There were some fantastic performances from all but a special well done to the winners: Junior - Phillip Balsam Vocal - Anna Williams Senior - Braden Collins

### Repurposing

The school would like to say congratulations to the S3 pupils who recently participated in a repurposing challenge. They were tasked with surveying the school and coming up with some creative and innovative ways in which they would reuse it. The students took on various roles to complete the project, including:

Developers, building surveyors, designers, accountants/finance and presenters. We appreciate our exceptional industry mentors for generously dedicating their time to inspire the future workforce.

### Hockey

Well done to the senior hockey team who won against Morrison's Academy 2-1 on Tuesday. There were two awesome goals from Aela Thomson and outstanding play from all the girls throughout the whole game. It was brilliant to see some of the younger players really stepping up and playing some super hockey. Well done all of you. The next round is the semi final. Thanks once again to Georgia Main for coaching and Karen Cornwall for umpiring.

### Rugby

The school's S1 and S2 rugby teams recently took on Kelso.

### Remembrance Assembly

The Head Team designed and led the Remembrance Assembly for our 400 students and visitors held on Friday, November 10. This was a particularly moving occasion for SHS as we remembered Steve Johnson - the brother of Anna Johnson (member of the Pupil Support team) and uncle of Kai (S6) - who lost his life in the Nimrod tragedy over Afghanistan. A moving tribute and an immaculately-observed two minutes of silence was led by the head team which includes Alistair McGilp who aims to join the RAF.
