S4-6 students travelled to Edinburgh

Theatre Trip

On Thursday, September 28, 30 S4-6 students travelled to Edinburgh to watch a performance of 2:22: A Ghost Story at the Festival Theatre. Most of the students are studying the play for their Higher English qualification so it was amazing to see it performed in the flesh. This meant they could fully appreciate the staging,

characterisation and dramatic techniques which will improve their critical essays on the play. They even coped well with the many jump scares and the dramatic twist at the end was jaw-dropping!

We welcome Duncan Thomson as the latest addition to our Traditional Music School. He has been teaching piano locally for

many years and is a great addition to our team. We are delighted to introduce Duncan Thomson, our newest member of our Traditional Music School. With a wealth of experience in teaching piano in the Borders, Duncan brings a remarkable skill set and a deep passion for music to our team. We believe that his presence will greatly enrich the learning experience for our students, and

we look forward to the wonderful contributions he will make to our school's vibrant musical community.

Rotary Young Musician Competition

We are once again hosting the Rotary Club's Young Musician of the Year Competition. Last year we had great success with Amber Gilmour winning third place in

the south of Scotland in the vocal category. This year promises to be an even bigger hit as our students will once again showcase their remarkable musical talents in the junior, senior, and vocal categories. Our pupils have been diligently preparing to deliver outstanding performances, and we have no doubt that their dedication and passion for music will shine through.
