

# SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

THE latest from behind the scenes at Selkirk High School...

The senior Drama Club

**Drama Club**

Did Macbeth and Macduff really fight to the death on the golf course? Was Titus Andronicus an early version of Masterchef? Was Hamlet's father addicted to musical theatre? These are some of the essential questions the senior Drama Club has been grappling with as they prefer their own unique approach to Shakespeare. The group has been practising both rugby and rap skills and are looking forward to presenting their unique performance to an audience in 2024.

### AH English trip

On Wednesday, November 22, AH English students had the fantastic opportunity to visit the National Library in Edinburgh. Prior to the visit, they had an online training session in how to search for materials for their dissertation texts which was extremely useful. It allowed them to order books they could use during the actual visit. On the day, they spent several hours pouring over their articles, making notes and soaking in the academic atmosphere of the

library. At the end of the day, they were enthused by their research and excited for what the future holds next year.

### Christmas concert

Monday, December 18 at 7.30pm - Don't miss out on this wonderful evening celebrating the joy of the season through music. It promises to be a heartwarming and entertaining experience for everyone.

### Lamb for St Andrew's Day

Last week our pupils prepared and cooked lamb burgers and lamb Dhansak with Scotch lamb for St Andrew's Day. The Home Economics department received Scotch lamb steaks and mince from the Institute of Auctioneers and Appraisers Scotland (IAAS) as part of the #LambforStAndrewsDay incentive. The quality and flavour of the meat was incredible, and the smell throughout the department was the envy of the rest of the school. The school would like to say a special thanks to local Selkirk butcher, J.A. Waters and Sons Family Butcher.

Students made a lamb Dhansak for St Andrew's Day
