

# SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

...All the latest news straight from the classroom

Selkirk High School's senior hockey team

## Model project

THE S1's have been coming up with ideas for a modelling project.

They took photos of areas around school and have been coming up with ideas for what they would like to put there.

We will be modelling these ideas in the workshop.

It's been so great to see how animated and imaginative the pupils have been, describing their ideas and exploring possibilities.

We are really excited to see what they do with the models.

## Hockey

THE school would like to

say congratulations to our senior hockey team who won the South Schools 1st XI tournament on Friday.

There was an outstanding performance from the whole squad combined with some top quality individual play.

Huge congratulations to all players and also to Coach Georgia Main.
