Oliver McClymont

Pupils raised money for Prostate Cancer UK

Rugby

THERE were fantastic performances from our S2 hockey squad to reach the semi-final at their tournament in Kelso recently.

The whole team should all be very proud of your efforts and your ongoing improvement.

Thank you to parents for their support.

Elsewhere, Our U14s and U13s recently played against Duns.

Hockey

WELL done to all our S3s who recently competed in the S3 tournament.

Values In Action

THE school would like to say congratulations to Layla, Millie, Lou, Demi and Scarlet and Lisa for raising £5,000 for Prostate Cancer Research.

They organised and ran a dog show, set up a GoFundMe page and sold a load of cakes and mugs for this great cause.

Debut

THE school would like to say congratulations to Oliver McClymont, of S6, who made his debut for Selkirk Rugby Club 1sts last weekend playing against Gala.
