Maths talk

THE school would like to say thank you to Leonie Griffin and Catriona Scott

from Didasko for coming to Selkirk High School recently to deliver a talk to our N5 and Higher Applications of Maths students on budgeting.

Treasure hunt

S1 pupils took part in treasure hunts in their mathematics classrooms.

Students had find the answers and then solve the questions.

There was great enthusiasm and participation from all involved.

Wicked trip

AT the start of term pupils and staff travelled the yellow brick A7 to see 'Wicked' at the Edinburgh Playhouse.

The cast's stellar performance transported us to the mystical land of the Emerald City, where the untold story of the Witches of Oz unfolded with breathtaking theatrics.

Our trip was a magical journey that opened pupils' eyes to the wonder of live theatre.

For many of our pupils this was their first experience of the theatre, and we look forward to organising more trips in the future.

Rotary music

RECENTLY, three of our pupils went through to Loretto School in Musselburgh to compete in the South East round of the Rotary Young Musician Competition.

Anna competed in the

vocal section, Phillip played his guitar in the instrumental section, as did Braden on the drum kit.

Everyone played to an exceptionally high standard and they all gave very musical and convincing performances, but a special congratulations goes to Phillip who was awarded 2nd place.

Photographer

THE school would like to congratulate Pippa Craig for winning the first round of the Rotary Young Photographer competition.

The judges found it difficult to decide on a winner, however, they eventually awarded the prize to Pippa for her impressive photographs of skyscrapers in Dubai.
