...All the latest news straight from the classroom

## Forest School

The outdoor learning students have started their Forest School sessions thanks to a generous grant from Lilliesleaf, Ashkirk and Midlem Community Council.

The grant purchased essential equipment for the Forest School sessions to run.

## Tractor Group

Jane Macdonnell, of Harris Trust, presented the Tractor Group with boiler suits and steel toe capped boots.

The group of S3 students are restoring a 1960s Massey Ferguson as part of their practical learning. Irvine Plant Hire have generously donated £500 to the project.

## Horticulture

The horticulture department have been shortlisted for this year's RSPB Nature of Scotland Awards.

A ceremony will be held in September at the Scottish Parliament where it will be announced if we have progressed to the final award stage, held in November.
