Selkirk High is an Apple Distinguished School

Several students took to the hills for their assessed Duke of Edinburgh Award expeditions

Apple

WE'RE pleased to announce that Selkirk High School has been recognised as an Apple Distinguished School for 2024-2027.

Schools apply and are selected for this distinction based on their commitment to continuous innovation in education and using Apple products to inspire, imagine and impact teaching and learning.

Apple Distinguished Schools are centres of leadership and educational excellence, with a clear vision for how technology-rich environments support learning goals.

In Apple Distinguished Schools, forward-thinking leaders and communities work to inspire, imagine and impact teaching and learning, and they have documented results of academic accomplishments.

Visit our school website to watch our video and see how we use Apple technology in innovative ways to inspire, imagine, and impact teaching and learning: [https://](https://selkirkhighschool.org.uk/digital-innovation/apple-distinguished-school)

Humanities

RECENTLY in humanities, S2 have been exploring earth forces and looking at the structure of the earth, earthquakes and volcanoes.

Students were tasked with demonstrating their knowledge in creative ways (most used cake which their teachers were more than happy to assess!)

Duke of Edinburgh

LAST week saw several pupils take to the hills to complete their Bronze and Silver assessed expeditions for Duke of Edinburgh.

The school was so proud of all of the groups as they battled difficult weather, tiredness and displayed amazing resilience and teamwork. Congratulations to all.
