

SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

...All the latest news straight from the classroom

Football

The school would like to say congratulations to Logan Douglas, Finlay Raffier and Sam Sharp Dent who were part of the Gala Fairrydean 2011 football team that were crowned Division 2 champions with a home victory in their last game against Leith Athletic.

Hockey

The school would like to say congratulations to Aela Thomson and Luisa Brown (who have just finished S6).

They continue to excel representing Scotland in the Scottish Hockey BRAVE Academy squad against Ulster at the Glasgow National Hockey Centre.

The girls put in a couple of excellent performances to win 6-0 and 4-0 over the two games.

Ex-pupil Charlie Jack also headed over to Belfast to start their preparation for the U21 men's Europeans which will be held in Lausanne in Switzerland this July.

A mixed bag of results with a loss against Ireland but two

Aela Thomson and Luisa Brown

victories against Wales. Fantastic achievements for all. It is amazing to see so much talent coming from SHS.

Book club

An enthusiastic group of S1/2 students have joined Mrs McKeown and Mrs Allan every Monday lunchtime all year to explore different aspects of books and films.

They took part in the Young Editors programme, helping to

give feedback to real authors about their yet-to-be published books which was very exciting.

They also worked extremely hard to plan and produce a film for P7 students, introducing them to SHS and have enjoyed watching and discussing Heartstopper.

Throughout the year, they've demonstrated their commitment, creativity and communication skills fantastically.

Logan Douglas, Finlay Raffier and Sam Sharp Dent
