The achievements of Selkirk High School's hockey players were celebrated

Hockey

WE held our end of season hockey awards to celebrate all our players and say thank you to everyone who has helped make this season a success.

It has been a fantastic season full of learning, hard work, determination, teamwork, but most importantly lots of fun.

Each week we have fixtures where we have focused on developing players skills and confidence and allowing them to enjoy being part of team with their peers.

For a small school, we punch well above our weight.

We have teams at every age group, get to various semi-finals and finals of South Schools tournaments and Scottish cups and have players representing South age group teams.

We would like to say a huge well done and thank you to every single player who has trained and played with their team this season. We hope you

have enjoyed it all.

A massive thank you also to all our coaches and umpires who have volunteered and given up their time every week and to everyone else who has helped out at some point this year to ensure hockey at SHS is such a huge success. Bring on next season.

We look forward to welcoming all our players back and hopefully lots of new ones too.

Easter Concert

LAST week, our school proudly hosted an evening of Scottish music and culture, celebrating the rich musical heritage of Scotland.

The event showcased an impressive range of performances by pupils, each one exploring different aspects of Scottish music, instruments, and artists.

The audience was treated to a vibrant variety of musical talents, including performances on the fiddle, accordion, harp, guitar, xylophone, and singing.

The evening was a great success; a huge well done to all involved.
