

# SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

...All the latest news straight from the classroom

Pupils completed their CSLA

Students have represented Selkirk Youth Club U16s

## Hockey team

THE school would like to say congratulations to all pupils in the senior hockey team for a fantastic season.

They finished the season off with a successful trip to the annual Duns 7s tournament. The team played some excellent hockey and worked extremely hard in the strong pool. They should all be proud of their efforts on the day and for the rest of the season.

## CSLA

CONGRATULATIONS to all pupils for completing their CSLA course, after a brilliant year of hard work and

determination.

They have been a fantastic group, working hard to develop into confident and conscientious young leaders.

The pupils in the class are as follows: Megan Pow, Chris Lawson, Alfie Lightfoot, Megan Brown, Cora Dow, Tessa Paterson and Macy Ross. They should be proud of their efforts throughout the year.

## Rugby

THE school would like to say well done to James Cowens who represented Selkirk for the Border Reivers in their recent game against Edinburgh.

Meanwhile, well done to

our students who have been representing Selkirk Youth Club U16s.

Our U16s have narrowly missed out on a couple of 7s wins being narrowly defeated in the finals.

Here they are pictured at Jed Thistle 7s.

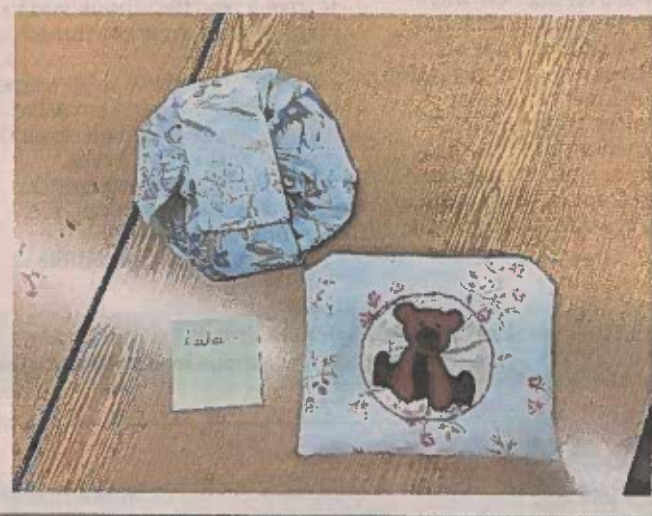

## Textiles

S3 Fashion and Textiles has been a great success this year with pupils making increasingly more complex items.

We have made a drawstring toilet bag, a zipped pouch with appliqué, shorts and some of the pupils have been working on a dressing gown.
