Leavers' evening

We celebrated our leavers with a Leavers' Assembly followed by the Seniors Prom. A delightful evening was enjoyed by all.

Huge thanks to staff who supported the event and to Mr Henderson for organising.

High School Sports Day 2025 - A Day to Remember!

The High School was blessed with glorious weather for this year's Sports Day, setting the perfect stage for an incredible display of athleticism, teamwork, and school spirit.

As Tweed, Ettrick and Yarrow went head-to-head, pupils showcased not only their skill and determination but also compassion and sportsmanship in abundance.

While the field events were completed in advance, the running events brought the whole school together in a vibrant celebration of effort

and excellence.

Many pupils went above and beyond, entering multiple events to earn valuable points for their houses.

There were standout performances across the board, almost too many to mention!

A special highlight was Holly Craig in our new S2, who thrilled the crowd as she came within a whisker of breaking the S2 girls' 800m school record. Though she narrowly missed it, she astonishingly surpassed the S3 record - setting the stage for an exciting chase next year!

The relays and tug of war brought the loudest cheers of the day, with nail-biting finishes that had everyone on the edge of their seats. In a thrilling conclusion, Ettrick surged ahead to claim overall victory, narrowly overtaking Yarrow in a hotly contested finale.

A huge well done to all

Standard Bearers visit

The High School enjoyed a visit from this year's Royal Burgh Standard Bearer and the Association Standard Bearers.

Our new S2 students met with the Standard Bearers and asked lots of questions.

In glorious sunshine, the Standard Bearers then cast their flags simultaneously in the school grounds.

An informative and enjoyable afternoon for all.
