Halliwell's visit
THE National 5 travel and tourism class visited Halliwell's House Museum in Selkirk.

They were able to visit all the exhibitions and see what the museum had to offer.

They also took time to ask the staff about how the museum is

run, and what it is like to work at a tourist attraction like this.

Gold medal
CONGRATULATIONS to Alexander Rudge, S3 who picked up gold with a win in the Under-14 category at the Cycle Speedway Scottish National Championships 2025 held recently in Fife.
