

SCHOOL NOTICEBOARD: SELKIRK HIGH SCHOOL

...All the latest news straight from the classroom

Kids from the Criminology course enjoyed a visit from PC Connor Flockhart. Credit: Selkirk High School.

CONGRATULATIONS to Morgan and Alexandra Tyler who successfully gained their N5 German while only being in S2.

The twins attended a German speaking primary school and have been continuing their German language learning in school, as well as receiving extra tutoring from Anne Bethune. Sitting their exam two years early was a good challenge, in which both students excelled, achieving A grades.

Both Level 5 and Level 6 Criminology classes had a fantastic start to the term with a brilliant Q&A session with PC Connor Flockhart.

The classes really impressed him with their thoughtful and wide-ranging questions and students were able to get an insight into the rewards and challenges of being a police officer in 2025.

Thanks Connor! We look forward to seeing you soon!

On Wednesday (August 29) our under-14's football team played their first ever match in a friendly against a strong team from Galashiels Academy. Our pupils played extremely well, showing lots

of individual skill and determination to come out 5-4 winners.

Thanks to the team from Gala for coming over and we wish them well for the season ahead. We are really grateful to Ian Stephen from Selkirk Community Football Club for allowing us the use of Yarrow Park for the match as well as providing us with kits for our fledgling team to play in.

Onwards to the next match!
